Schools and Families Together Program

The Schools and Families Working Together program is unique to Positive Partnerships. We know that when a trusted and positive relationship exists between home and school, then this significantly improves the learning environment that can be created for autistic students and provides opportunities for good learning outcomes.

A small funding allocation is available to support schools' participation in the program.

If you think this program may be suitable for your school and you want to find out more, please contact:

Lynda Hunt

Queensland Team Leader

0403 914 326

lhunt@positivepartnerships.com.au

Or use the QR code to leave your contact details and a staff member will contact you.

Educators will:

- Complete the Positive Partnerships online module - “An Introduction to Autism”
- Attend a 1-day workshop with other teachers (ideally a member of the leadership team attends this day as well)
- Invite parents/carers of the student you teach to attend a 1-day workshop 4-6 weeks later with you
- Complete a planning tool template (student profile) with parents/carers

Overview of topics covered:

Day 1 (teachers only)

Beliefs and Perspectives

- Language and Autism
- Individual perspectives
